SPEAKERS

IRISH NATIONAL CHIROPRACTIC CONFERENCE

DR. RON OBERSTEIN

President of Life Chiropractic College since 2017.
Dr. Ron Oberstein has served in instructional and leadership roles in numerous organisations. He has taught chiropractic technique, philosophy and principles in multiple chiropractic colleges and throughout the world. Dr. Oberstein strongly conveys chiropractic vitalism with a deep understanding of the salutogenic health model and its incredible value for patient care.

DR. MARY OBERSTEIN

Dr. Mary Oberstein is co-founder and President of the non-profit Hands for Life, which delivers chiropractic care globally to children and adults in need in Tijuana, Mexico. She has taken her gift of education and service through chiropractic to five continents and thousands of underserved people. Her personal goal is to have natural healthcare through chiropractic available to every person on the planet, specifically women and children.

DR. PETER AMLINGER

Dr. Peter Amlinger was President of the Halton Peel Chiropractic Society since its inception through June of 2000. Dr. Amlinger founded the Wonders of Chiropractic meetings in January of 1992. The purpose of these meetings is to unite chiropractors in the principles of chiropractic.

DR. ERIC RUSSELL

Dr. Eric Russell currently serves as the Philosophy Stream Coordinator for the Australian College of Chiropractic and as a consultant for chiropractic education and the chiropractic profession. He was the first Diplomate of Philosophical Chiropractic Standards (DPhCS) to be named president of a chiropractic college in the profession's history when he served at the New Zealand College of Chiropractic. Dr. Russell was named a Fellow in Chiropractic Philosophy in 2023.

DR. RION ZIMMERMAN

Dr. Rion Zimmerman is a well-known speaker, health advocate and chiropractor within the Los Angeles area. Dr. Zimmerman has been the Chiropractor for both the LA Galaxy and US women's national soccer team for over 10 years. He has dedicated his career to not only teaching wellness and preventative lifestyles within his practice but also to companies, organizations, and professional athletes outside his office.
